This appeal is directed against the judgment in O.P. (HMA) No.288/99 on the file of the Family Court, Thiruvananthapuram. While deciding the issue of divorce, the Family Court also made certain arrangements with regard to the custody of the child. The appellant apprehends that the observations in the judgment might adversely affect the outcome of the case filed by him with regard to the guardianship of the child. We make it clear that the observations and directions in the judgment with regard to the custody of the child shall not in any way affect the outcome of the case filed by the petitioner and the same shall be independently considered on merits.

The appeal is disposed of as above.
